 PRIMEPAC

Abattoir

**Specialist Supplier to
the NZ Meat Industry.**

NZ's Leading Abattoir Supplier

Primepac has been a leader in industrial packaging for over 25 years.

Today, with thousands of products in stock and over 15,000 customers nationwide, our presence in the New Zealand market is well established with a commitment to innovation, processes, people and products.

As global trade has expanded, so too have global supply chains. For New Zealand businesses, this has driven the growth of outsourcing and offshoring of many aspects of the supply chain, both for inbound and outbound flows.
